

GIFT BOXES

BLOCK PARTY – DUE DECEMBER 8, 2003

GIFT BOXES – Have fun with this optical illusion block.. Conversational prints for the Gift Boxes can include anything that you might find inside a gift box – toys, jewels, sports equipment, sewing notions, food, anything bright and colorful. Gone are the “Y” seams associated with Tumbling Blocks. This takes more words to explain than time to sew

CUTTING INSTRUCTIONS

Using TEMPLATES on the back, cut 3 NAVY TRIANGLES and 2 PRINT DIAMONDS. (1 light print – 1 dark print)

ASSEMBLY – One UNIT

PLACEMENT OF THE DIAMONDS IS VERY IMPORTANT TO COMPLETE THE OPTICAL ILLUSION

Triangle – DARK diamond – triangle – LIGHT or MEDIUM diamond – triangle. Lay the pieces out on a flat surface according to diagram above

STEP 1 Place 1st triangle on 1st diamond – right sides together

Match long sides – Triangle will match one long side and the joining edge on the diamond. Triangle points will extend past the diamond edge.

Sew – 3” seam.

Press seam toward diamond.

Return joined piece to position in the diagram above.

STEP 2 Place 2nd triangle on other side of 1st diamond – right sides together.

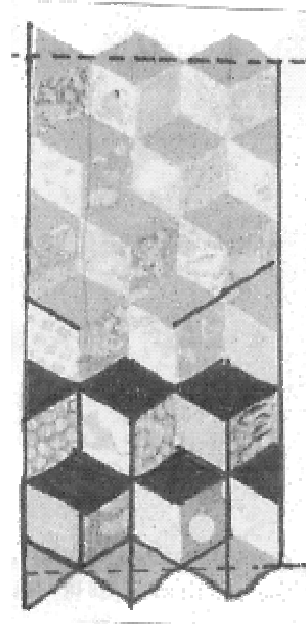

Repeat (a), (b), (c), (d) in Step 1

STEP 3 Place 2nd diamond on other side of triangle – right sides together.

Repeat (a), (b), (c – press seam toward 2nd triangle), (d) in Step 1

STEP 4 Place 3rd triangle on other side of diamond – right sides together.

Repeat (a), (b), (c – press seam toward 3rd triangle), (d) in Step 1

This "strip" equals one unit - receive one ticket for the drawing for each unit
