HEART -2 pcs - 3 ½" x 6" contrasting or different value colors  
 BACKGROUND -1 square 6 ½" - contrasting or different value

**HEART**

Make a template of the ½ heart pattern

Sew the 2 heart pieces together, lengthwise - press seam flat

Fabric remains doubled

Place the template along the inside edge of the seam and trace shape

Cut heart shape out. Turn under allowance MUST BE ADDED

Press seam open - trim "ears" at point

Seam allowance - remove 2-3 stitches in seam at top of heart for turn under

Prepare heart according to your preferred applique technique - traditional  
 or fusible

Fold heart in quarters - crease

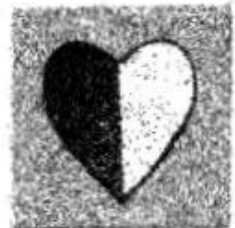

**BLOCK ASSEMBLY**

Fold 6 ½" square in quarters - crease

Place heart on background matching the crease lines to center the heart  
 placement

Applique in place - hand or machine.

Color of thread and stitch selection is your choice

DISPLAY BOARD showing the construction steps will be at the Association Meeting

You will receive one ticket for each Heart Block turned in for the drawing.
