

Block Party
Summer Butterflies
Due August 13, 2007

Supplies Needed:

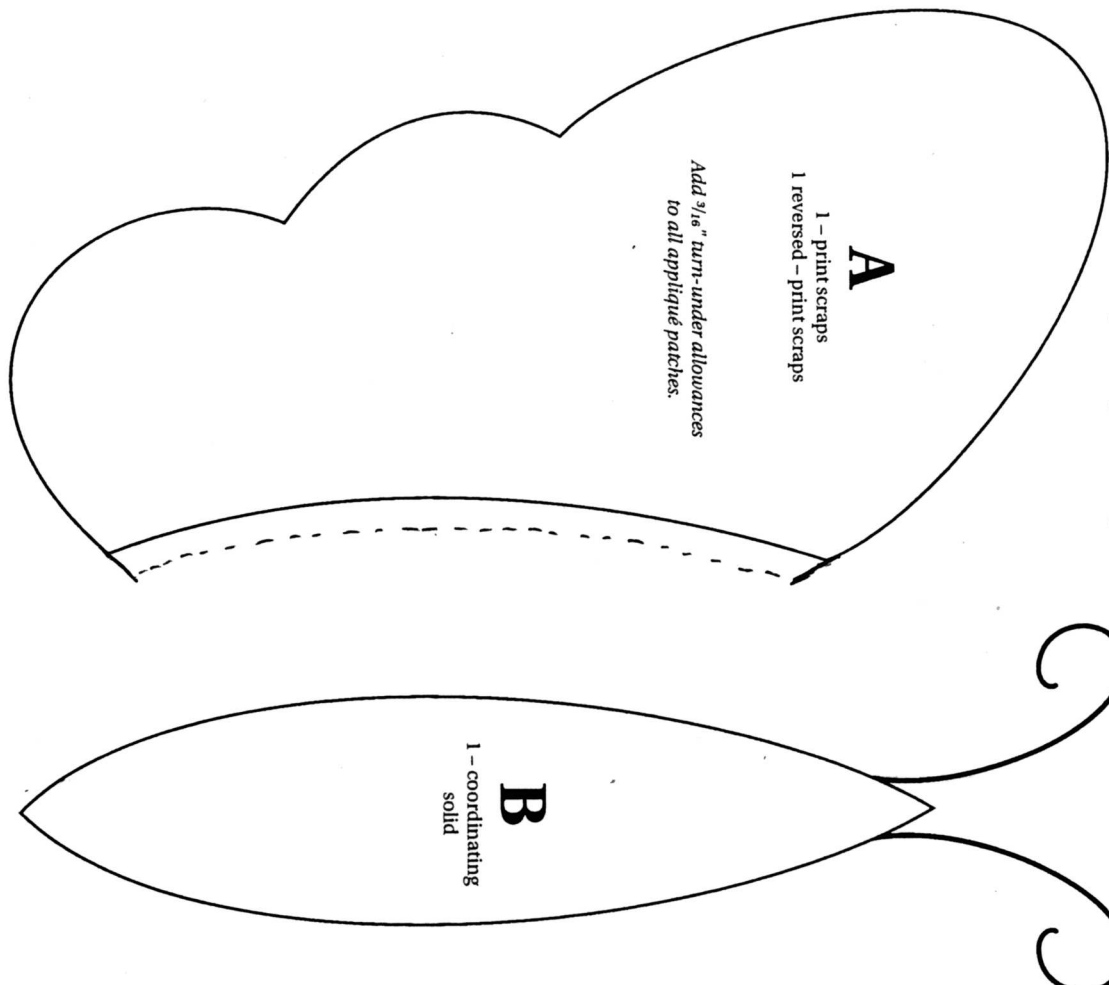

Please remember to use quilt shop quality 100% cotton fabrics

1. 9" square of pastel fabric to set off the color of the butterfly
2. Fabric of choice for butterfly wings, darker fabric for butterfly body
3. Fusible web such as Lite Steam-A-Seam or Wonder Under

Directions:

1. Make a template of butterfly wings and body
2. Bond fusible web to a butterfly size piece of fabric as per brand directions
3. Trace butterfly onto fusible web and cut out
4. Follow brand directions to fuse butterfly wings to center of 9" square
5. Fuse butterfly body on top of wings
6. Machine stitch around edge of wings. Then applique edge of body, using a blanket stitch or stitch of your choice. Use threads of your choice.
7. Draw or stitch antennae as per pattern

Unfinished Block - 9 inches

To cut a reverse, either flip the template to the wrong side OR cut both pieces at once by placing the fabric right sides together.
